Algebraic Expression Answers | Wyzant Resources sandraluna.net Algebraic Expression Answers ... I have no idea how to turn this into an algebraic expression, ... Write an algebraic expression for the verbal description

Writing Algebraic Expressions - Math Goodies sandraluna.net The expression $9 + x$ represents a value that can change. If x is 2, then the expression $9 + x$ has a value of 11. If x is 6, then the expression has a value of 15. So $9 + x$ is an algebraic expression. In the next few examples, we will be working solely with algebraic expressions. Example 2: Write each phrase as an algebraic expression.
